Dear Parent,

It is always encouraging when parents desire a sound, Christian, educational experience for their children. At Legacy Christian School, we endeavor to provide that opportunity to every family we serve.

Legacy Christian School is a place where we attempt to challenge our students in all areas of life. We see this as fulfilling our goal of graduating students with a heart to serve in their community in a way that will bring honor and glory to our God. We do this by nurturing a heart for world missions, coupled with a strong commitment to academic excellence in subjects that lend themselves to practical knowledge.

There are four areas of emphasis that you will find at LCS. They are:

- Academic Excellence. Our commitment is to help students reach excellence by nurturing a spirit of teamwork and cooperation between the staff and the student body, thus creating an atmosphere where students are enthusiastic and eager to learn.
- Spiritual Development. We desire to ignite in each student's heart a passion for being a committed disciple of Jesus Christ, and to find the joy that comes from being fully surrendered to His will for their lives. It is our commitment to create an atmosphere that challenges and stretches students to grow spiritually while becoming more aware of the needs in the world around them.
- Music Appreciation. We place a high emphasis on choral music and strive to create an appreciation for music by making it an integral part of the student's experience, beginning in elementary school and continuing through graduation.
- Anabaptist Worldview. We teach and conduct our school through the eyes of twenty-first century Anabaptists; we encourage our students to see the global Christian community as their brothers and sisters in Christ. We strive to help students develop a cultural and historical awareness of the world and the country in which we live.

Please find enclosed a handbook for your information. We invite you to make an appointment to visit while the school is in session. The process for admission is simple:

1. Read the Parent & Student Handbook in its entirety
2. Fill out and submit an application for admission, along with requested records.
3. Come in for an interview (*for students entering after 1st Grade*)
4. Wait for notification of acceptance
5. Submit medical records
6. Attend parent orientation

Legacy Christian School requires a pastoral reference, a statement of personal faith, and an affirmation of active membership in good standing at a local church which maintains a doctrinal position compatible with the doctrine and practice of Legacy Christian School. We invite you to prayerfully consider furthering your student's education at LCS. Thank you for considering us as a partner in your child's education.
